MUCH ENTHUSIASM EVOKED

By Singers in Festival Concert in Montpelier Last Evening.

Montpelier's sixth annual musical festival, in charge of Nelson P. Coffin, as conductor, opened with much enthusiasm yesterday afternoon with a students' orchestral matinee, which was largely attended.

City hall auditorium was well filled last evening for the first exhibition of choral work at this season's festival and the 250 or more voices responded as one person to the skillful leadership of Mr. Coffin. "The Creation" was splendidly rendered by the chorus and Miss Stoddard, Mr. Beddoe and Mr. Flint, and the audience was quick to recognize the merit of the production. For the second part of the evening's program there were solos by Mr. Beddoe, "Lend Me Your Aid, Queen of Sheba" (Gounod); "The Swallow," Miss Stoddard; "The Vulcan's Song" (Gounod), Mr. Flint, and the final trio from "Faust" by Miss Stoddard, Mr. Beddoe and Mr. Flint. A much enjoyed feature of the program was the "Yeoman's Wedding Song" (Prince Poniatowski), by the chorus. The soloists and male chorus responded to well deserved encores. The chorus, "The Lord is Great," from "The Creation," completed the evening concert.

A matinee this afternoon and concert this evening will close the festival, tonight's program being as follows:

Part I.

BARRE GRANITE SELECTED.

For Soldiers' and Sailors' Memorial at Atlantic City.

Barre granite is specified in the soldiers' and sailors' memorial to be erected at Atlantic City, N. J., this summer and the work of quarrying the stone that Canton Bros. are to use in executing the big memorial is already under way at the quarry of the Barre Granite & Quarry Co. on Millstone hill. Canton Bros. are to cut the monument for O. J. Hammill & Co. of Pleasantville, N. J., and the work will be completed in time to dedicate the memorial late in the summer. Light Barre granite is to be used. Veterans from all parts of the East will be gathered in close proximity to the famous walk at Atlantic City early in September to witness the unveiling of the memorial. It is said that the monument will be one of the most imposing of its kind in the United States. It will commemorate the soldiers and sailors who fought for the North in the war between the states.

Specifications received at the office of Canton Bros. call for a bottom base 10 feet, 5 inches square and 1 foot, 2 inches high. Three other bases are to have the following dimensions: 8 feet, 6 inches by 1 foot, 2 inches; 7 feet by 1 foot, 2 inches; 6 feet, 2 inches by 2 feet. The die will be 3 feet and 6 inches square and 4 feet, 2 inches high. The first plinth, 2 feet, 1 inch square by 1 foot, 1 inch in height, will be surmounted by a column 2 feet and 1 inch in diameter and 6 feet, 11 inches high. Surmounting, in turn, the second plinth, which is to be 8 inches in height, will be a second column 7 feet and 10 inches in height, which is to be draped with an American flag cut in granite.

A good-sized ball of granite will rest on the last column and it will be surmounted by an eagle in stone, 3 feet and 2 inches in height with a wing spread of four feet. Around the die four heroic statues, representing a sailor, an artilleryman, a cavalryman and an infantry soldier, will be posted. Each figure is to be 6 feet 6 inches in height. When erected on a site near the center of the city, the memorial will be seen and admired by thousands of people each season.

Because of the absence of two members of the council and the concert in the auditorium, the regular meeting of the council lasted only long enough last evening to authorize the mayor to sign the warrants for the bills incurred during the past two weeks and to dispose of several other minor matters. The council accepted invitations from Hiram Pierce and Rev. P. J. Long, rector of St. Augustine's church, to attend the exercises Memorial day in the city and the services for the G. A. R. Troy, N. Y., May 25.—J. J. Jordan of Boston and A. W. Collie of Rochester, arrested at Mechanicville, Saratoga Springs county, last night on a charge of obtaining money under false pretense, are alleged to have swindled many state officials at Albany, as well as county officials in nearly every county between Albany and Buffalo and Albany and Plattsburgh. The pair claimed to represent railroad Y. M. C. A. work and solicited subscriptions, securing over \$5,000 since the middle of January which, it is alleged, they devoted to personal interests. NAVY EQUAL TO GERMANY'S.

The United States Ought to Have, Says Ex-President Taft.

Saratoga Springs, N. Y., May 25.—An American navy, the equal in strength of that of Germany, was urged by former President William H. Taft, last night. He said he chose Germany as a model, because no other European power can mobilize and land on American shores within a month a military force sufficient to conquer the country. He insisted that a navy is primarily a means of defense and therefore particularly essential to a republic. He said he favored participation by the United States in any international congress summoned after the war for the purpose of devising means to insure permanent peace.
